

TRUSTCAT SPINE REPORT

Patient ID:	ANONYMOUS	Study Date:	Unknown
Study ID:	bench-0006-c8e07421	Generated:	2026-01-03 23:42
Vertebrae:	0	Abnormalities:	0

You are an artificial intelligence assistant helping a user to analyze a spine X-ray study. The user is an expert musculoskeletal radiologist and will provide you with the findings they detect in the image. Your task is to generate a structured report following ACR guidelines based on these findings.
